### Numeral

- refers to the design classification. Rated between 1 & 3 with 3 giving the maximum amount of protection

## Storage/Transportation

Always store in clean, dry conditions. DO NOT store in places subject to direct strong sunlight. This garment is suitable for transportation as supplied by the manufacturer.

## Disposal

Dispose of garment according to local environmental guidelines.

## Limitations of Use

This garment is a conspicuity aid. Keep clean: Should the high visibility properties of this garment become unrecoverable, soiled or contaminated, replace the item with a new one. To ensure optimum conspicuity this garment must be kept clean and regular comparisons are recommended against a new garment.

## After Care

For instructions on washing see care label in garment. Manufacturer will not accept liability for garments where care labels have been ignored, neglected, defaced or removed.

Do not wash in biological powder. Warm machine wash. Cold rinse. Short spin. Do not wring. Rinse well. Do not over dry.

The chromaticity and retro reflective properties have been tested after 5 washing cycles only.

## Available Sizes & Selection

Fit according to chest size. Allowance of approx 10-12"/25-30cm built in for comfort and to allow the garment to be worn over light layers of clothing. If bulkier clothing has to be worn underneath, a larger size may be required.
