Slip Resistance SRC

AS803 BROAD: Flexible and rugged, waterproof safety boot in an extra-wide EE fit. Fully padded collar and gusseted tongue with soft mesh comfort lining and removable insole. The locked-in lacing system provides a secure fit. Features a pull-on tab at the back for ease of change. It has an impact and compression resistant steel toe cap with protective PU textured toe guard and a penetration resistant steel midsole. Crafted with a water-resistant leather upper with inner waterproof liner. Shock absorbing heel with PU heel guard. The oil-resistant phylon/rubber outsole has deep grooves which channel away fluids giving top SRC slip-resistance. Anatomically moulded extra-wide steel toe cap providing an exceptionally roomy toe box. Built on an extra-wide EE last.

- ◆ Moulded rubber toe & heel guard
- ◆ Comfortable & cushioned PU footbed
- ◆ Outsole heat resistant to 300 degrees
- ◆ Antistatic
- ◆ Oil resistant outsole
- ◆ Energy absorbent heel

Care Advice: To enhance the life & performance of the footwear, upper should be kept clean & dry. Dry/damp cloth or shoe polish/spray to be used as per the need. Sole to be checked and clean regularly to maintain its traction. Any obvious damage in footwear may reduce full protection and must be replaced.
