HOW TO MEASURE

ENSURE TAPE MEASURE IS TIGHT AGAINST SKIN

- **NECK**
Measure round the neck where the collar sits, alternatively you can measure a shirt that fits well. Lay the shirt flat, start at the middle of the button and measure to the far end of the button hole.
- **CHEST**
Measure around the fullest part of your chest and across your shoulder blades.
- **WAIST**
Measure around your natural waist (smallest part of the waist) keep the tape measure taut.
- **INSIDE LEG**
Measure from the inside leg at the crotch to where the trouser hem is to sit on the shoe, alternatively you can measure a trouser that fits you well.

Information: Garments have been manufactured to accommodate freedom of movement. Not all the range are available in all sizes please refer to individual garment text. Before customising garments please ensure fit is correct as Lloyd & Jones do not accept the return or exchange of customised garments. All sizes are approximate and should be used as a guide only. Unpadded interactive jackets are made with a size allowance to accommodate interactive garment.
